

Juice Wrld - Up Up And Away

tom:

Intro: C C G Am
Yeah

(C C Am)

[Pré-Refrão]

C
Up, up, and away, I been
C Am
Feel the walls in my brain and they're caving in
C
Outside?those?walls, there's an ocean, I can't swim
C Am
Especially with all these waves

[Refrão]

C C
I'm walkin' in Prada, tryna solve my problems
Am
Through the night, finding vibes, Moonlight Sonata
C C
I try to deny, but you see the pills in my eyes
Am
I tell her that I'm high, but she don't seem surprised
C C
Walkin' in Prada, tryna solve my problems
Am
Through the night, finding vibes, Moonlight Sonata
C C
I try to deny, but you see the pills in my eyes
Am
I tell her that I'm high, but she don't seem surprised (uh)
[Primeira Parte]

C C Am
Maybe I realize that my life is a ride
C C
Buckle up, hold tight, take a left, turn right
Am
GPS don't work and I can't see at night
C C
So it's getting hard to drive, anxiety at a stoplight

Am
Hard to think, easy to cry, that's how I know something's not right
C
Numb the pain with fun times, supermodels, Perc lines
Am C
Remember that one time everything was alright
C Am
Alright (oh-oh-oh)
