

# juju<3 - Wasted Summers

tom:

Intro: F C F C

I'm spending my summer time  
 After time crying again  
 Had the blues over you  
 I didn't hang with my friends  
 You fake cry that's a lie  
 Tell me was it all pretend  
 In my head, in my head

[Refrão]

You're needing all the time again

Our time again  
 Needing the time again

Our time again  
 Wasting our time again

Our time again  
 We don't have nothing to say

So we have nothing left

[Ponte]

[Primeira Parte]

I wasted like half of my summer tryna hold on your hand  
 You're the leech

I'm the man  
 I guess you don't understand  
 Holding hands

Say I can't  
 You're telling me y's I can  
 Yes I can, Yes I can

I wasted lik' half of my summer tryna hold on your hand  
 You're the leech

I'm the man  
 I guess you don't understand

Holding hands  
 Say I can't

You're telling me yes I can  
 Yes I can

Yes I can
