

Juke Ross - Higher

tom:
 Am
 Steadily down the road, tryna reach where we going
 F
 Underneath I've been cold, but your vibe, it keeps me warm
 Am G
 Not bleeding anymore, feel my feet moving forward
 F
 Not fighting anymore, can you stay till the morn'?
 Am G
 One, two, three, the time goes by, rivers flowing down the line
 Em F
 Will we try or will we fade, looking back on yesterday?
 Am G
 We can dance and we can sail into seas for holy grails
 Em F
 If we crash in like the waves I'd do it anyway
 Can you take me higher?
 Am G Em
 Higher than I've ever been, throw my world right in your fire
