

JULIANO NUNES - You Are With Me

Tom: G

You are to stand in the blue sky
 You are to stand too my say
 You are to stand present in that look
 Your love me to take like hook
 The way against the wind
 I to carry one new find
 You are to stand in the heart

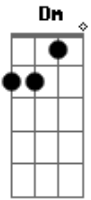

And too my life to do part

You are with me
 Who said was the heart
 You are with me
 Love in work of art
 You are with me
 No matter the distance
 You are with me
 I think for your fragrance
