

Julia Alexa - Please Hold Me

tom:

F
I'm on my own most times
And I hate every part of it
I fight all my fights alone
I spend all my nights alone

F
And I draw my lines
Way too close to myself
Nobody gets through to me
Nobody knows the real me

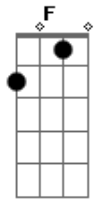

[Refrão]
F
So if you wanna hold me
Please just do
Cause I'm so sick of being lonely
I'd do anything for you
And if you wanna kiss me

Am
I'd let you
If it makes me feel less lonely
I don't care if I'm being used

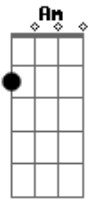

F
Often I talk to myself
Still so scared of getting help
Have no one to talk to and
No one who cares enough to know
That I'm bad at doing this
Never know how to say it
But I need you close right now
And I need to be held somehow

Am C
Stay right here with me tonight
Em F
Stay right here with me, alright?
Am C
Stay right here with me tonight
Em C
Stay right here with me, alright?
