 Earn the secrets, make 'em last
 Bm G Cadd9
 I know you got me in your head
 Bm
 G Cadd9
 Come and tell me just how it's gonna be
 As soon as you move, come and talk to me
 Bm G Cadd9
 I've learned that mistakes could drive you insane at night
 But I'm not gonna try to change it for somebody else
 Bm G Cadd9
 Catch my spel, make it fly
 Bm G
 See I gotta try to be myself, no one else
 Cadd9
 I can tell by my senses
 Bm
 Growing fances around us to try to deny
 G Cadd9
 To hold back, couldn't fight from the ashes
 Burning inside my soul and I still try
 Bm G
 To breath cause underneath there's something worth the fighting
 Cadd9
 There's these sirenes around my head
 Bm
 And I fight the urge to walk away, far away
 G
 I'm quite awake, so make me stay
 Cadd9
