I know you're out in Cabo  
Hanging with your brother  
Wishin' that I was your bottle  
So I could be close to your lips again  
I know you didn't call your parents and tell 'em that we ended

'Cause you know that they'd be offended  
Did you not want to tell 'em it's the end?

And I know we're not supposed to talk  
But I'm getting ahead of myself  
I get scared when we're not  
'Cause I'm scared you're with somebody else

So, I guess that it's gone  
And I just keep lying to myself  
Oh, I can't believe it, I

I miss you, yeah, I miss you  
N.C.  
I miss you, yeah, I miss you, oh, I do  
I miss you, yeah, I miss you  
Though i'm trying not to right now

( Am C F C )

You weren't a fan of pictures  
So I hardly ever took 'em  
Got them saved in my mind from the bedroom  
So that way I can't forget your skin  
So I saved all the texts  
All of the best over the years

Just to remind myself of how good it is, or was

And I know we're not supposed to talk  
But I'm getting ahead of myself  
I get scared when we're not  
'Cause I'm scared you're with somebody else  
So, I guess that it's gone  
And I just keep lying to myself  
Oh, I can't believe it, I

I miss you, yeah, I miss you  
I miss you, yeah, I miss you, oh, I do  
I miss you, yeah, I miss you  
Though i'm trying not to right now

So I saved all the texts  
All of the best over the years  
Just to remind myself of how good it is,  
Yeah, I saved all the texts off of my ex  
Minus the tears  
Just to remind myself of how good it is, or was  
'Cause I

I miss you, yeah, I miss you  
I miss you, yeah, I miss you, oh, I do  
I miss you, yeah, I miss you  
Though i'm trying not to right now  
I can't help it, I just
