Intro: Bm D G Bm

[Primeira Parte]

I wish I could fix it, I wish knew what to say
 But everything feels like a lie these days
 Don't know how not to feel that way, o-oh
 They're reaching for reasons, it's all gonna be okay
 But everyone feels like a liar these days
 Don't know how not to feel that way, mmmm

[Refrão]

But if you need me, I'll be right there
 When you're dreaming all your nightmares
 I'll come tackle the monsters
 I'll find where they hide in the nighttime
 If you need me, I'll be right there
 When you're happy and when you're scared
 I can still be your shoulder
 I'll be by your side even if I'm not next to you

[Segunda Parte]

Have I spent too much time on what we used to be?
 I'm making up details in the memories?
 Have I got too caught up on the you and me thing?
 Well, I'm hoping not 'cause I loved what we got
 Outta sight don't mean out of mind
 Not in your space, but you're still in mine
 Hope you don't think I could leave you like that
 Oh-oh-oh-oh-oh
 Oh-oh-oh-oh-oh

[Refrão]

But if you need me, I'll be right there
 When you're dreaming all your nightmares
 I'll come tackle the monsters
 I'll find where they hide in the nighttime
 If you need me, I'll be right there
 When you're happy and when you're scared
 I can still be your shoulder
 I'll be by your side even if I'm not next to you
 I'll be by your side even if I'm not next to you

[Ponte]

Well, time is friends with distance
 But they ain't no friends of ours
 And that's fine because
 Well, time is friends with distance
 But they ain't no friends of ours
 And that's fine because

[Refrão]

But if you need me, I'll be right there
 When you're dreaming all your nightmares
 I'll come tackle the monsters
 I'll find where they hide in the nighttime
 If you need me, I'll be right there
 When you're happy and when you're scared
 I can still be your shoulder
 I'll be by your side even if I'm not next to you, to you
 I'll be by your side even if I'm not next to you, oh
 Yeah-eah
 I'll be by your side even if I'm not next to you
