Julia Nunes - Something Bad

```
Tom: F
F
I want something bad
                Bb F C
I want something bad
I want something bad
                Bb F C
I want something bad
I wanna look at pictures of you
looking happy
                            Bb
I wanna look at pictures of you
now you're not with me
                            Bb
I wanna look at pictures of us
of me kissing you
I wanna look at pitures of us
because it hurts to
I want something bad
                          FC
                Bb
I want something bad for me
I want something bad
                           FC
                Bb
I want something bad for me
I want something bad
                Bb
                           FC
I want something bad for me
I want something bad
                           FCF
                Bb
I want something bad for me-e-e-e
I wanna kiss somebody else
without thinking about your lips
I wanna kiss somebody without
my heart about to rip
                         Rh
I wanna make so many mistakes
that your're lowest on the list
I wanna make mistakes
    Bb
and I want you to hear about it
I want something bad
                          FC
                 Bb
I want something bad for me
```
