

Julia Pagano - Mar

tom:
Capostrate na 2ª casa

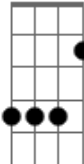

Vai, vem ver o céu
Olhar o mar, sentir as ondas
Vem sonhar que já chegou
Entre as montanhas o vento sopra nosso amor
Conta as histórias desse amor
Leve embora toda a dor

Vai, vem ver o céu
Vem navegar entre as estrelas mergulhar
Vem se entregar pr'esse meu mar
Sentir a brisa a te tocar
O vento sopra a favor
Levando embora toda a dor
(E Dbm Badd9)
Conta as histórias desse amor
Leve embora toda a dor
