

Júlia Vitória - Your Waters

Tom: A
Intro: Gbm A

I know that You are here
Here in this place
And I can feel you near
Searching me

With Your great love
Fill me up
With Your great love
Overflow

[Refrão]

In Your waters
Lord, I want to dive
Much deeper
Lead me to Your heart
In Your presence
Is where I belong
Nothing will
Tear me apart
From Your great love

From Your great love

I set my eyes on You
And as I look to You
Your glory shines on me
It's changing me

With Your great love
Fill me up
With Your great love
Overflow

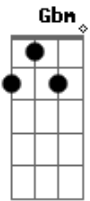

[Refrão]

In Your waters
Lord, I want to dive
Much deeper
Lead me to Your heart
In Your presence
Is where I belong
Nothing will
Tear me apart
From Your great love
From Your great love
