Dm7 G7
Vanity,
C7M Am7
overriding wisdom,
Dm7 G7
Usually,
C7M Am7
Common sense.

Should I delete it, You said you'd read it
C7M Am7
You promised you would never ruin it with sequels,

Dm7 G7 C7M Am7
I wake for you, on and on

[Chorus:]

Beyond all ideas of right and wrong there is a field,
Dm7 G7
I will be meeting you there.
C7M

Beyond all ideas of right and wrong there is a field,
Dm7 G7
I will be meeting you there.
C7M

Beyond all ideas of right and wrong there is a ...

Dm7 G7 C7M Am7 (2x)

The moon's a skull, I think it's grinning
Dm7 G7
The room is full of people now I think it's spinning
C7M Am7

Wanted you,
C7M Am7
Didn't ask for nothing.
Dm7 G7 C7M Am7
Wait for you, on and on

And I don't need your tie, I don't need to, tired of saying
Dm7 G7 C7M
it.

Am7
We don't need more talk, don't empty out your canteen on the
desert floor.

[Guitar Solo:]
Dm7 G7 C7M Am7 (4x)

Never wanna spell it out,
Dm7 G7
I just want to say that it is all my fault,
C7M Am7
I could never spit it out,
Dm7 G7
I don't wanna fix your tie.
C7M Am7

Never want to say we're sad,
Dm7 G7
Thankful that we got some chance,
C7M Am7
I know you won't get back your time,
Dm7 G7
I wish that you could take it back.
C7M Am7

[Chorus:]

Beyond all ideas of right and wrong there is a field,
Dm7 G7
I will be meeting you there. (3x)
C7M Am7

G GM7 G
He wanted it more than me, I suppose
Am D7

I was in a rush to wait in a line.
G C

Now I hear echoes of my old self,
Am D7

This is not the way to be.
G C

All at once,
Am D7

I lost my way.
G C

Dm Am (2x)

Is it not true, the things that we did?
Dm Am

Come here at once and look what they did
Dm

Come here shut down and tune in tonite,
Am Dm

Learn the words that they teach you without you realizing it
Am

Come here sit down and watch some TV
Dm Am

Mine all mine, wait your turn,
Dm Am

Cross my cross, slice his hand,
Dm Am

Not your son, not your friend, not your enemy.

I rely on the little things to get, me by,
Dm Am

Conscience says, "I'm okay",
Dm Am

You don't hear what they say.
Dm Am

"He's not my son, search his home"
Dm Am

Off to war, It's time to go hide inside.

[Guitar Solo:]

Soft skin, Weak chin,
Dm7 G7

CM7 Am7

Hurry hurry, that's my baby
Dm7 G7
CM7 Am7

Ohh, do what you can.
Dm7 G7 CM7 Am7

All the time - he waits for me.
Dm7 G7 CM7 Am7

And now we talk from time to time,
Dm7 G7

Hits you on the head when nobody's there,
CM7 Am7

Then he says, "come here could you fix my tie?"
Dm7 G7

It's never gonna be,
CM7 Am7

To be is not the way to be.
Dm7 G7

Show me where to go, don't get angry so quickly,
 CM7 Am7
 Fuck depression.

[Chorus:]

Beyond all ideas of right and wrong there is a field,
 Dm7 G7
 C7M Am7
 I will be meeting you there. (3x)
