Julian Casablancas - Where No Eagles Fly

Tom: G Intro: Baixo:

Intro: Guitara:

Please, come on babe, they'll end up all confused What's the point of telling people if they won't use it? Fly on the wall, bird of prey in the mall It's the eye in the sky, where no eagles fly

```

```
(Intro Baixo)
```

(Intro Guitarra)

The wolf will cry sheep as they take him away We plot in our sleep but follow orders all day The rhythm is for you but the song is for me

Acordes

The meaning might be secret but the melody is free

G Bb B Predators eat

Let all my big dreams sink in No one to enjoy it with Oblivious, stay oblivious Why can you not be more like me? Hiding in a nearby tree

C G B E Até o final

Business, business, I forget Pray for predators, I guess Uh-oh, uh-oh, here we go, all our future's thru that door

Future future's come to this, everybody cheats I guess Let's go down to Mexico, there's a couple guys I know All our future's come to this, I don't want my friends to know All our future's come to this, I don't want our friends
