

Juliana Gonçalves - When The Day Comes

Tom: G
Intro: G C G C D

When the day comes the sun will grow dark
The moon will no longer shine

And the stars will fall from heaven

Then the Son of Man will appear, will appear
Coming in the clouds with great power and glory

Chorus:

Holy are you the Lamb, who will return to earth
Your kingdom is forever, receive the glory, you're glorious

Come, Come, Come to the kingdom I prepared for you
Come, Come, the Spirit and your bride are saying come

Chorus:
Holy are you the Lamb, who will return to earth
Your kingdom is forever, receive the glory, you're glorious
