

# Juliana Paniago Melo Leite - Hino de Theobroma

Tom: A

Intro: Em B7 Em E7 Am Em Gb7 B7

Pelo centro do Estado desponta  
Verdejante torrão varonil

És bem jovem, terra alvissareira  
Num gigante chamado Brasil.

Pelas mãos de grandes pioneiros  
Tu nasceste, hoje e sempre serás

Theobroma, tu és terra amada  
Nossa fonte de eterno cantar.

Do Anari até o Toquifone

Rio-Niterói indo até o São João

Piragi, Rio Machado, Soledade  
Desembocam através deste chão.

No resplendor deste céu, destas matas

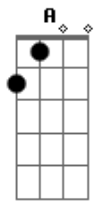

Com esperanças de um novo porvir

Theobroma, Deus tem te abençoado

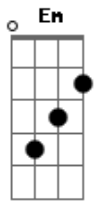

Somos gratos em teu existir.

Theobroma, Deus tem te abençoado  
Somos gratos em teu existir.
