

# Juliano Nunes - Furacão

Tom: C

É feito furacão, no meu coração

Chegou em mim

Me deixou assim

Na solidão

Ela sabe tudo de mim

E eu não sei nada dela

Chegou atrevida

Mudou minha vida

Acreditei nela

Misto de anjo e mulher fatal

Me tirou do normal

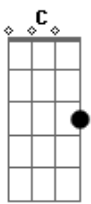

Ganhou meu coração

Provei do teu beijo o veneno

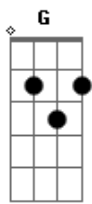

Não sou o mesmo

Sobrou a solidão
