

Julie and the Phantoms - Edge Of Great (feat. Madison Reyes, Charlie Gillespie, Owen Patrick Joyner & Jeremy Shada)

tom:

Running from the past
 Tripping on the now
 What is lost can be found, it's obvious
 And like a rubber ball
 We come bouncing back
 We all got a second act, inside of us
 I believe, I believe
 That we're just one dream
 Away from who we're meant to be
 That we're standing on the edge of
 Something big, something crazy
 Our best days are yet unknown
 That this moment is ours to own
 'Cause we're standing on the edge of
 Great (on the edge of great)
 Great (on the edge of great)
 Great (on the edge of great)
 'Cause we're standing on the edge of
 Great!
 We all make mistakes
 But they're just stepping stones
 To take us where we wanna go
 It's never straight, no
 Sometimes we gotta lean
 Lean on someone else
 To get a little help
 Until we find our way
 I believe, I believe
 That we're just one dream
 Away from who we're meant to be

That we're standing on the edge of
 Something big, something crazy
 Our best days are yet unknown
 That this moment is ours to own
 'Cause we're standing on the edge of
 Great (on the edge of great)
 Great (on the edge of great)
 Great (on the edge of great)
 'Cause we're standing on the edge of
 Shout, shout
 C'mon and let it out, out
 Don't gotta hide it
 Let your colors blind their eyes
 Be who you are, no compromise
 Just shout, shout
 C'mon and let it out, out
 What doesn't kill you makes you feel alive
 Ohh, ooh
 I believe, I believe
 That we're just one dream
 Away from who we're meant to be
 That we're standing on the edge of
 Something big, something crazy
 Our best days are yet unknown
 That this moment is ours to own
 'Cause we're standing on the edge of
 Great (on the edge of great)
 Great (on the edge of great)
 Great (on the edge of great)
 Woah-oh-oh-oh, standing on the edge of
 Running from the past
 Tripping on the now
 What is lost can be found, it's obvious
