

Julie and the Phantoms - Now Or Never

tom:

Intro: A G D G
A G D

1, 2, 3!
Take off, last stop
A G D
A G D

Countdown till we blast open the top
A G D

Face first, full charge
A G D

Electric hammer to the heart

D
Clocks move forward
G A G D A G D

But we don't get older, no
D
Kept on climbing
G
Till out stars collided
F
And all the times we fell behind
D
Were just keys to paradise

G D A
Don't look down
G D A
'Cause we're still rising up right now
G D A
And even if we hit the ground
We'll still fly
G
Keep dreaming like we'll live forever
D G
But live it like it's now or never

(A G D)
(A G D)

A G D
Hear the noise, in my head

A G D
One life, no regrets
A G D

Catch up, got no time to catch my breath

D
Clocks move faster
G A G D A G D
Cause it's all we're after now, oh
D
Won't stop climbing
G
Cause this is our time, yeah
F
When all the days felt black and white
D
Those were the best shades of my life

G D A
Don't look down
G D A
'Cause we're still rising up right now
G D A
And even if we hit the ground
We'll still fly
G
Keep dreaming like we'll live forever
D G
But live it like it's now or never

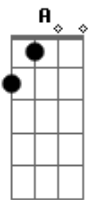

F D A
We ain't searching for tomorrow (tomorrow)
F D A
Cause we got all we need today (today)
F D G
Living on a feeling that's been running
A
Through our veins
G D
We're the revolution that's been singing in the rain

G D A
Don't look down
G D A
'Cause we're still rising up right now
G D A
And even if we hit the ground
We'll still fly
G
Keep dreaming like we'll live forever
D G A G D A G D
But live it like it's now or never
A G D A
(Now or never)
