 Here's the one thing I want you to know  
 Dbm B  
 You got some place to go  
 E A  
 Life's a test, yes, but you go toe-to-toe  
 Dbm B  
 You don't give up, no, you grow

A B  
 And you use your pain  
 Dbm  
 'Cause it makes you you  
 B  
 Though I wish I could hold you through it  
 A B  
 I know it's not the same  
 Dbm  
 You got living to do  
 B  
 And I just want you to do it

So get up, get out, relight that spark  
 You know the rest by heart (tocar abafado)

E  
 Wake up, wake up, if it's all you do  
 Dbm  
 Look out, look inside of you

B  
 Raising your voice to the rain

E  
 Wake up your dream and make it true  
 Dbm  
 Look out, look inside of you

B  
 Relight that spark  
 B  
 Time to come out of the dark  
 E  
 Wake up, wake up

E  
 Better wake those demons  
 A  
 Just look them in the eye  
 Dbm B  
 No reason not to try  
 E  
 Life can be a mess  
 Dbm  
 I won't let it cloud my mind  
 A B  
 I'll let my fingers fly

A B  
 And I use the pain  
 Dbm  
 'Cause it's part of me  
 B  
 And I'm ready to power through it  
 A B  
 Gonna find the strength  
 Dbm  
 Find the melody  
 B  
 'Cause you showed me how to do it

 Get up, get out, relight that spark  
 You know the rest by heart (tocar abafado)
