

Juliedelpy - Waltz For a Night

Tom: D

A música é uma repetição de umas formações bem simples, segue a ordem:

Parte 1

Parte 2

(Parte 1)
 Let me sing you a waltz
 Out of nowhere, out of my thoughts
 Let me sing you a waltz
 About this one night stand

(Parte 2)
 You were for me that night

(Parte 1)
 Everything I always dreamt of in life
 But now you're gone
 You are far gone
 All the way to your island of rain

(Parte 2)
 It was for you just a one night thing

(Parte 1)
 But you were much more to me
 Just so you know

I don't care what they say
 I don't care what they say
 I know what you meant for me that day

(Parte 2)
 I just want another try
 I just want another night

(Parte 1)
 Even if it doesn't seem quite right
 You meant for me much more
 Than anyone I've met before

(Parte 2)
 One single night with you little Jesse

((Parte 1)
 Is worth a thousand with anybody
 I have no bitterness, my sweet
 I'll never forget this one night thing

(Parte 2)
 Even tomorrow, another arms

(Parte 1)
 My heart will stay yours until I die
 Let me sing you a waltz
 Out of nowhere, out of my blues
 Let me sing you a waltz
 About this lovely one night stand
 A versão original acaba com um dedilhado da parte 1
