

julien-k - Cast Into The Sea

Tom: C
Intro: Am C F Am C

Am C
Cast into the sea of a different kind
Shouting in the face of the wind
Nothing I could say would change your mind

Am C
She could stay by your side if you let her
But that was a different time

F C
When all it took was the kindest lie
But I remember her lonely eyes as she said

Am F C
No matter how long,
We're cast into the sea of a different kind

G Em
Sliding in a wake that we left behind
No matter what's wrong,

Am F C
I'm moving through a different state of mind
Cast into the sea of a different kind

(Am C F Am C)

Am C

But maybe we could give it a try
Maybe we could give it a try
But I'll remember her lonely eyes
As she said

Am F C
No matter how long,
We're cast into the sea of a different kind
Sliding in a wake that we left behind
No matter what's wrong

G Em C
I'm moving through a different state of mind
Cast into the sea of a different kind
