

Juliet Simms - Not Broken Yet

Tom: D

intro: D -G 2x

D
Back when we first kissed it felt like
every star above our heads aligned
D
Every little piece fell into place and
every single moment made us feel alive

A G
Never used to be so complicated
A G
No in between just black and white

D
When everything turns to grey
A
I still see you
Bm
When the cold won't go away
G
I can still feel you
D
Even when the sky is falling
A
and I'm hanging on by a thread
Bm
I'm standing on the edge of nothing
A G
But I know it's not broken
D G
I know it's not broken yet

D
Funny how life throws us punches
G
you kick and scream but it just keeps coming on
D
Maybe every dream that seemed to fade will
G
find another way to live again some day

A G
Never used to be so complicated
A G
No in between just black and white

D
When everything turns to grey
A
I still see you
Bm
When the cold won't go away
G
I can still feel you
D
Even when the sky is falling

A
and I'm hanging on by a thread
Bm
I'm standing on the edge of nothing
A G
But I know it's not broken
Bm
I know it's not broken yet
A D
As time goes on, we still discover
A Bm
Traces of hope in each other
A
With every ending
G
We can find a beginning
start it over again

D
When everything turns to grey
A
I still see you
Bm
When the cold won't go away
G
I can still feel you
D
Even when the sky is falling
A
and I'm hanging on by a thread
Bm
I'm standing on the edge of nothing
A G A
But I know it's not broken yet

E
