

Julio Iglesias - Can't Help Falling In Love

tom:

F
 Wise men say
 Only fools rush in
 But I can't help
 Falling in love with you
 Shall I stay
 Would it be a sin
 If I can't help
 Falling in love with you
 Like a river flows
 Surely to the sea
 Darling so it goes
 Some things
 Are meant to be
 Take my hand
 Take my whole life too
 For I can't help
 Falling in love with you
