Db  
 It's time of night

When they turn on the lights

Gb Ab Ab7  
 And lovers go out, like we used to do

Db Gbm Db4 Db7  
 And here I'm again, I find myself alone

Db Gbm Db  
 It's no one's fault, I know nobody's but, my own

Gb F F7  
 I won't listen to the part of me

Bbm Ebm Ab  
 The part oh me that holds me and won't let go

Db Bbm  
 I keep telling myself, It was not meant to be

Ebm Ab Ab7  
 I keep telling myself, but my heart disagrees

Db  
 No matter how many times

Bbm  
 That I keep telling myself

Ebm Ab Db  
 I know, I know there's nobody else

[Solo] Db Bbm Ebm Gb Db

Db  
 And at the end of the night

Bbm  
 When they turn out the lights

Gb Ab Ab7  
 And lovers go home, like we used to do

Db Gbm Db4 Db7  
 I walk the empty streets, I don't know where, to go

Db Gbm Db  
 Without you being there, the house is not, a home

 But I'll keep walking until I can't hear
