If you go away on this summer day

All the birds that flew in the summer sky

And our love was new and our hearts were high

When the day was young and the night was long
Bm Bm
And the moon stood still for the night bird song
G7M Gb Bm G Bm
If you go away, if you go away, if you go away
Bm Em
But if you stay I'll make you a day

Like no day has ever been or will be again
G7M
We'll sail on the sun we'll ride on the rain
Em A D Gb
We'll talk to the trees and worship the wind
Bm C
But if you go I'll understand
Gb7 Gb Bm
Leave me just enough love to fill up my hand

If you go away, if you go away, if you go away
Bm Bm
If you go away yes I know you must
G7M Em A7
There'll be nothing left in the world to trust

Just an empty room full of empty space
Like the empty look I see on your face

Can I tell you now as you turn to go
Gb7 Gb Bm Bm
I'll be dying slowly till your next hello
Em Gb7 Bm G
If you go away, if you go away, if you go away

But if you stay I'll make you a night
Gb Bm
Like no night has ever been or will be again

I'll sail on your smile I'll ride on your touch

I'll talk to your eyes that I love so much

For the good has gone from the world goodbye

If go away, If go away, If go away!
