Julio Iglesias - To All The Girls Ive Loved Before

```
Gb
                                                               To all the girls I've loved before
                            tom:
               G
Intro: Gb Db B Gb Db B Gb
                                                               To all the girls who cared for me
Gb
To all the girls I've loved before
                    Abm
                                                                                  D D7
Who travelled in and out my door
                                                               I'll always be a part
     Db4
                    Db7
I'm glad they came along
     Db4
                 Db7
I dedicate this song
                                                               [Refrão 2]
                       Gb
To all the girls I've loved before
                                                               G
Gb
To all the girls I once caressed
                   Abm
And may I say I've held the best
                  Db4 Db7
For helping me to grow
             Db4 Db7
I owe a lot I know
                      Gb
To all the girls I've loved before
                                                                                      G
[Refrão]
                                                                                    Am
Gb
The winds of change are always blowing
                                                                                 D D7
                      Abm
                                                               We dedicate this song
And every time I try to stay
                                Db4
                                      Db7
The winds of change continue blowing
Db4
              Db7 Gb Gb4 Gb
And they just carry me away
                                                                                    Am
[Segunda Parte]
Gb
To all the girls who shared my life
                                                                                D D7
                                                               We dedicate this song
                   Abm
Who now are someone else's wives
                   Db4
                         Db7
I'm glad they came along
               Db4 Db7
```
