

Julio Iglesias - When I Need You

tom:
 When I need you
 I just close my eyes and I'm with you
 And all that I so want to give you
 Is only a heartbeat away

When I need love
 I hold out my hands and I touch love
 I never knew there was so much love
 Keeping me warm night and day

Miles and miles of empty space in between us
 The telephone can't take the place of your smile
 But you know I won't be travelling forever
 It's cold out
 So hold out
 And do like I do

When I need you
 I just close my eyes and I'm with you
 And all that I so want to give you
 Is only a heartbeat away

It's not easy when the road is your driver
 Honey that's a heavy load that we bear
 But you know I won't be travelling a lifetime
 It's cold out
 So hold out
 And do like I do
 When I need you

When I need love
 I hold out my hands and I touch love
 I never knew there was so much love
 Keeping me warm night and day

When I need you
 I just close my eyes
 And you're right by my side
 Keeping me warm night and day
 I just hold out my hand
 Hold out my hand
 And I'm with you
 All I wanna give you
 Is only a heartbeat away
 When I need you
