

# Julio Iglesias - When I Need You

tom:  
 When I need you  
 I just close my eyes and I'm with you  
 And all that I so want to give you  
 Is only a heartbeat away

When I need love  
 I hold out my hands and I touch love  
 I never knew there was so much love  
 Keeping me warm night and day

Miles and miles of empty space in between us  
 The telephone can't take the place of your smile  
 But you know I won't be travelling forever  
 It's cold out  
 So hold out  
 And do like I do

When I need you  
 I just close my eyes and I'm with you  
 And all that I so want to give you  
 Is only a heartbeat away

It's not easy when the road is your driver  
 Honey that's a heavy load that we bear  
 But you know I won't be travelling a lifetime  
 It's cold out  
 So hold out  
 And do like I do  
 When I need you

When I need love  
 I hold out my hands and I touch love  
 I never knew there was so much love  
 Keeping me warm night and day

When I need you  
 I just close my eyes  
 And you're right by my side  
 Keeping me warm night and day  
 I just hold out my hand  
 Hold out my hand  
 And I'm with you  
 All I wanna give you  
 Is only a heartbeat away  
 When I need you
