

# Jully Lopes - Posso Confiar

Tom: E

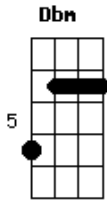

Cai a chuva e molha o meu rosto  
 Já não sei o que fazer  
 Sopra o vento e acalma a tempestade que inunda  
 O meu ser  
 Quando perco a esperança e não vejo mais saída  
 Sua mão vem me acolher

Quando a brisa se afasta, sinto o sol sobre o meu  
 Rosto, vejo a sombra do passado se apagar  
 Sei que posso confiar  
 Sei que posso descansar  
 Me faz renascer  
 Me faz entender  
 Que minha força está em Ti
