

Junior Silva - My Little Lovely

tom: C

Dont get out of my life

Dont leave me this night

Lay with me my darling

Lets look the stars

Hold on in me

What do u see

Answer for me

U will be

My little lovely

Sometimes i think in u

I hope that u too

Today we're only one

And we never be alone

Dont get out of my life

Dont leave me this night

Lay with me my darling

Lets look the stars

Hold on in me

What do u see

Answer for me

U will be

My little lovely
