

Jungkook - My You

tom:

A

A Dbm7

Summer has already spread in the air

Bm7 E

Breeze is already blowing

A Dbm7

The last cold snap is going out

Bm7 E

The days were getting longer and longer

A Dbm7

But my days were still going on and on and on

Bm7 E

I got wet in the Sun shower and looked up at

The night sky

A Dbm7

It was quite a lonely night

Bm7

In the blink of an eye

E

The dark faded out

A Dbm7

Blooming under the sunlight

Bm7 E

Memories with me and you

A

All these lights are colored in by you

Dbm7

All these times are precious due to you

Bm7

Four seasons have passed with you

E

Four scents were left ?cause of you

A

All the reasons why I can laugh out

Dbm7

All the reasons why I sing this song

Bm7

Thankful to be by your side now

E

I'll try to shine brighter than now
