

Jungkook - Never Not

tom:

Eb (forma dos acordes no tom de **C**)

Capostrate na 3ª casa

We were so beautiful
 We were so tragic
 No other magic
 Could ever compare
 Lost myself, seventeen
 Then you came found me
 No other magic
 Could ever compare

There's a room
 In my heart with the memories we made
 Took em down but they're still
 In their frames
 There's no way I could ever forget

Humm
 For as long as I live
 And as long as I love
 I will never not think about you, you, humm
 I will never not think about you
 From the moment I left
 I knew you were the one
 And no matter whatever I do, ooh, humm
 I will never not think about you
 What we had only comes
 Once in a lifetime
 For the rest of mine
 I'll always compare
 To the room
 In my heart with the memories we made
