

Jungkook - Too Sad To Dance

tom:
 Bb
 Last week, I found a message in a bottle Gm
 It said: Go home, ain't nobody love you no more Eb
 I can't disagree Bb
 So, last night I went to the club F
 Had a couple too many, threw up Dm
 Now, everybody's laughing at me Eb
 'Cause I'm way too sad Bb
 Way too sad to dance F
 I'm way too sad to dance Bb
 'Cause I got too caught up, my friends agree F
 A broken heart and nobody Gm
 And that's why I'm too sad to dance Dm
 And now I just wait by the telephone Bb
 You ain't coming back and I should've known F
 And that's why I'm too sad to dance Bb
 Oh, da-da-dum-da-da-da, da-da-dum-da-da-dum Gm
 That's why I'm too sad to dance Bb
 This morning, I knocked at your door F
 Just to admit my flaws Gm
 But you said you've heard it all before, mm Bb

And this Christmas I got no gifts Dm
 Do I really deserve all this? Eb
 So, I head straight down to the liquor store Bb
 'Cause I'm way too sad F
 Way too sad to dance Dm
 I'm way too sad to dance Eb
 'Cause I got too caught up, my friends agree Bb
 A broken heart and nobody Gm
 And that's why I'm too sad to dance Dm
 And now I just wait by the telephone Bb
 You ain't coming back and I should've known F
 And that's why I'm too sad to dance Bb
 Oh, da-da-dum-da-da-da, da-da-dum-da-da-dum Gm
 That's why I'm too sad to dance Bb
 Oh, da-da-dum-da-da-da, da-da-dum-da-da-dum F
 That's why I'm too sad to dance Bb
 So, I called up my pops last night Gm
 He said by the morning light Dm
 You won't need no romance Eb
 He told me: Walk that walk alone Bb
 And talk that talk, you know Gm
 'Cause you don't need no one to dance Eb
