

Junor - Coração Santo, Tu reinarás

Tom: F

REFRÃO:

A7 **Dm** **Gm7** **Dm** **Dm** **Gm7**
A7 **Dm** **(A7)** **Dm** **Dm** **D7**
 Coração Santo, Tu reinarás; Tu nosso encanto, Estende às almas teu suave fogo,
 sempre serás! (BIS)

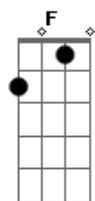

D7 **Gm** **C7** **F** **Dm**
 Jesus amável, Jesus piedoso,
 Deus amoroso, frágua de amor!
 Aos teus pés venho, se Tu me deixas,
 humildes queixas sentido expor.

D7 **Gm** **C7** **F** **Dm**
 Divino peito, que amor inflama,
 Em viva chama de eterna luz,
 Porque a tens sempre reconcentrada,
 Não adorada. Doce Jesus?

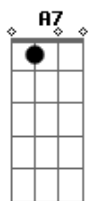

D7 **Gm** **C7** **F** **Dm**
 E tudo logo se inflamará!
 Mais tempo a terra no mal sumida.
 E endurecida não ficará.

D7 **Gm** **C7** **F** **Dm**
 Por estas chamas de amor benditas,
 Nunca permitas ao mal reinar!
 Ao Brasil chegue tua caridade,
 Que em verdade te saiba amar.
