

Júpiter Maçã - Any Job

Tom: G

INTRO: G C

It's Saturday evening
Wasting our time

Tomorrow is Sunday
And dearest no drink's
Any job, anyway, anything

Cachaça and varanda
Lipsticks and masks

Muchacho and prenda
The gun has only one bullet
Any job, anyway, anything

Harmonia dos versos e refrão

Repete-se tudo, mas com uma variação no final:

Muchacho and prenda
The gun has only one bullet
Any job, anyway, anytime
Any job, anyway, anytime
