

Júpiter Maçã - Calling All Bands!

tom:

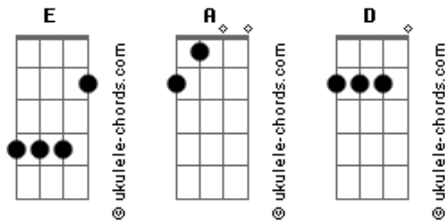

Intro: E A E A D
A E A

I'm in the surf
Of a million sexy words
I'll take my time
In this lascive crazy world
While she's still young
And before I get old
At last corner

(A)
She said that I got
The perfect penis
Urological cirurgy
Well, I have none
Travel this way
Al I've gotta say

Is calling all bands
(Calling all bands)
Ah, ah, ca-ca-ca-calling all bands
(Calling all bands)
Ha-ah, ca-ca-ca-calling all bands
(Calling all bands)
Ah, ah, ca-ca-ca-calling all bands
(Calling all bands)
Ah, ah, ca-ca-ca-calling all bands
(Calling all bands)

Acordes

Ah, ah, ca-ca-ca-ca

(E A E A)

She said that she likes the way that I walk

When I walk that mute

When I walk that poppy

Seeing this way

All I've gotta think

Now she is my friend

(E A E A D)
(A E A)

She says she adores me

And my hyped pop style

And that she's the evil

When I smile

And right in this way

All I've gotta scream

Is calling all bands
(Calling all bands)

Ah, ah, ca-ca-ca-calling all bands
(Calling all bands)

Ha-ah, ca-ca-ca-calling all bands
(Calling all bands)

Ah, ah, ca-ca-ca-calling all bands
(Calling all bands)

Ah, ah, ca-ca-ca-calling all bands
(Calling all bands)

Ah, ah, ca-ca-ca-calling all bands
(Calling all bands)

Ah, ah, ca-ca-ca-calling all bands
(Calling all bands)

Ah, ah, ca-ca-ca-ca
