

Júpiter Maçã - Gothic Love (Urban Blues)

Tom: G
Intro: A Gbm A E

A
Died once before and die again
This time to live forever
A
Like human bats that escaped to the cave
Running from the grave
A
Check out your pockets
And find one coin or two to pay me coffee
I have this weird stories to tell you
Urban blue
A
Oh, gothic love
The spirits in the gardens of old Europe
A
The castels and the stones will fill our hearts
Will you feel apart?
Em
Oh, touch the ground
A D
And listen to cathedral's bells around you
A D
Iced galleries
Ab
Hold me lady
A
How long have you been dead?
Dbm Bm E
For how long you to decided to be mine?

(A Gbm A E)
A
Follow your heart
Gbm
While falling tears have washed the way of sorrows
A
That stream of darkness shows the moon that shines
E
Makes us feel so fine
A
I can't believe the things you say
Gbm
When I have start to dream on
A
The dream that hits me to the reasons why
E
Sometimes makes me cry
Em
Oh, touch the ground
A D
And listen to cathedral's bells around you
A D
Iced galleries
Ab
Hold me lady
A
How long have you been dead?
Dbm Bm E
For how long you to decided to be mine?
A
Oh, gothic love
Gbm
We die again this time to live forever
A
Like human beast that escaped from the rules
E
Urban blue
