

Júpiter Maçã - Modern Kid

Tom: C

Change his mind and sacrament,
Every horse in regiment,
Symphony has come

Walked away not feel the same,
Different from yesterday,
Looking for today

Madams walk and madams talk,
Synchronism at every block,
You won't cry away

Walked away not feel the same,
Different from yesterday,
Looking for today

Cause every modern kid,
Will lose their mothers,
Soon as tragically,
And every morning childhood sings, the pain

Cause every modern kid,
Will lose their mothers,
Soon as tragically,
And every morning childhood sings, the same

Change his mind and sacrament,
Every horse in regiment,
Symphony has come

Walked away not feel the same,
Different from yesterday,
Looking for today

Madams walk and madams talk,
Synchronism at every block,

You won't cry away

Walked away not feel the same,
Different from yesterday,
Looking for today

Cause every modern kid,
Will lose their mothers,
Soon as tragically,
And every morning childhood sings, the pain

Cause every modern kid,
Will lose their mothers,
Soon as tragically,
And every morning childhood sings, the same
