

Júpiter Maçã - Old Pictures There Instead

```
You have all the time to have a pint
                                                                     Em
                                                                  It's on your head
                             tom:
                C
                                                                  You say goodnight and try to find a bet G7
            C
                                                                  They padded picture there instead
You're in the train
           G
                                                                              Fm
You can not wait to see your things again
                                                                 Welcome to you, my boy
    Em Am
You've never been
                                                                 Welcomes it's you
                                                                 We're overwaiting just for you
This place you never have let before
As you can see you see no more
                                                                  [Solo com base do verso]
                                                                  C Em
C Fm
You walk alone
                                                                  You go inside
You met a frozen letter?
                                                                  You have all the time to have a pint
