

Jurema Vianna e Jairo Wilson - Purificação - Canto de Aspersão

Tom: F

Ao ser aspergido encontro a paz,
 A purificação que desce do céu
 Todo meu ser é transformado
 Renovado pelas mãos do Senhor

 - Guiai os meus caminhos!
 Ajudai-me a perseverar!
 Pois a estrada é longa
 Só com Jesus conseguirei caminhar

 1 - Água santa purificadora

Que renova o meu coração
 Aspergi-me lavai-me e curai-me
 E obra nova serei no Senhor!

 2 - Como em margem das águas correntes
 Onde as plantas seus frutos darão
 Curai minh'alma ferida
 Acolhendo-me em vosso amor!

 3 - Fui lavado nas mãos do Cordeiro
 Que sangrando minha culpa apagou
 Ofereço minha vida agora
 Em forma de oblação!
