

Juruviara - Mariana

tom:
Dm

Então me abraça

Como quem anda avexada pra viver

Como quem pede para o sol aparecer

Depois de 31 noites no escuro

E esse muro

Que o destino tá levantando entre nós

Abriu uma brecha pra gente passar veloz

Na madrugada voltando de outro mundo

Roda pensamento à toa

Bb7

Viagem boa

Gm7

Me arrasta contra o mar

E

Levanta que eu não sei

B

A hora de voltar

B7M

Ainda vamo dançar

A7

Naquele arrasta pé

Dm7

Tu vai se embriagar

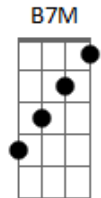

Bb7 Gm7

A7 Dbm Dm7 Bb7

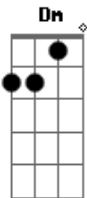

De tanto rodar

(Gm7 A7 Dbm Dm7)
