Justin Bieber - 2 Much

```
                               tom:
                    Gbm
Intro: Gbm7   D2

[primeira parte]

Gbm7
    Maybe i stare too much

Maybe not long enough
D2
      Funny how i forget to blink
Gbm7
      But when you let down your hair
                            D2
Dancin' like no one's there

I know i'm where i'm s'posed to be

[pré-refrão]

  E                         Gbm7
Say: love you, under my breath

More times than you can digest
  A         E           D2
Music every time i hear your name, oh
  E
Your head's layin' right on my chest
Gbm7                                      Bm
      Sun's up, but i still ain't got no rest

[refrão]

                          A               D2
Don't wanna close my eyes, i'm scared i'll miss too much
                          E           Gbm7
Don't wanna fall asleep, i'd rather fall in love
                        A        D2
When i can't feel you, i feel out of touch
            E                  Gbm7
Two seconds without you it's like two months

                                           E
Don't wanna close my eyes, i'm scared i'll miss too much
                 Gbm7                    D
Don't wanna fall asleep, i'd rather fall in love
        A                   E
'cause eternity with you ain't long enough
  Gbm7                          D
Two seconds without you it's like two months
           Bm
And that's too much

[segunda parte]

Gbm7
    Love the way you love your mom
```

```
Take on all your friends problems
   D2
Still, somehow, stop the world for us, oh
Gbm7
     I still relive that second

I met my biggest blessing
D2
    Prayed for you, look what god has done

[pré-refrão]

  E                         Gbm7
Say: love you, under my breath

More times than you can digest
  A         E           D2
Music every time i hear your name, oh
  E
Your head's layin' right on my chest
Gbm7                                      Bm
      Sun's up, but i still ain't got no rest

[pré-refrão]

  E                         Gbm7
Say: love you, under my breath

More times than you can digest
  A         E           D2
Music every time i hear your name, oh
  E
Your head's layin' right on my chest
Gbm7                                      Bm
      Sun's up, but i still ain't got no rest

[refrão]

                          A               D2
Don't wanna close my eyes, i'm scared i'll miss too much
                          E           Gbm7
Don't wanna fall asleep, i'd rather fall in love
                        A        D2
When i can't feel you, i feel out of touch
            E                  Gbm7
Two seconds without you it's like two months

                                           E
Don't wanna close my eyes, i'm scared i'll miss too much
                 Gbm7                    D
Don't wanna fall asleep, i'd rather fall in love
        A                   E
'cause eternity with you ain't long enough
  Gbm7                          D
Two seconds without you it's like two months
           Bm
And that's too much
