

# Justin Bieber - Alone

Tom: Gb  
Intro: F#M A C#M B

We were inseparable  
 Everything I had to do I did it next to you  
 And the memories we made were so incredible  
 Then our love was interrupted by my schedule  
 There was nothing that I could do  
 Cause you fell into the deepest depression baby  
 And I hate to know I'm responsible  
 And your heart filled up with so much aggression baby  
 You got used to  
 Being alone, alone  
 You adapted, now your use to  
 Being alone, all alone

Ooo you got used too being on your own  
 I saw it happenin'  
 But I didn't accept the truth, I couldn't fathom it  
 There was so much going on you couldn't handle it  
 Could have divided my time, I should have fractioned it  
 But there was nothing that I could do  
 Cause you fell into the deepest depression baby  
 And I hate to know I'm responsible  
 And your heart filled up with so much aggression baby  
 You got used to  
 Being alone, alone (all alone)  
 You adapted (you adapted), now your use to  
 Being alone, all alone (didn't mean to leave you lonely girl)  
 Ooo you got used too being (used to) on your own (all on your own)
