

Justin Bieber - Alone

Tom: Gb
Intro: F#M A C#M B

We were inseparable
 Everything I had to do I did it next to you
 And the memories we made were so incredible
 Then our love was interrupted by my schedule
 There was nothing that I could do
 Cause you fell into the deepest depression baby
 And I hate to know I'm responsible
 And your heart filled up with so much aggression baby
 You got used to
 Being alone, alone
 You adapted, now your use to
 Being alone, all alone

Ooo you got used too being on your own
 I saw it happenin'
 But I didn't accept the truth, I couldn't fathom it
 There was so much going on you couldn't handle it
 Could have divided my time, I should have fractioned it
 But there was nothing that I could do
 Cause you fell into the deepest depression baby
 And I hate to know I'm responsible
 And your heart filled up with so much aggression baby
 You got used to
 Being alone, alone (all alone)
 You adapted (you adapted), now your use to
 Being alone, all alone (didn't mean to leave you lonely girl)
 Ooo you got used too being (used to) on your own (all on your own)
