                                                                 The cadence you speak, it keeps us both in sync
Your voice is music to my ears, I'm wide awake
                                                                 The ocean we lay in, it makes it hard to think, oh, ooh-ooh,
                                   Am G Em7
Stuck on the way your frequencies resonate
                                                                 ooh-ooh
You say that no matter what, you're watching over me
                                                                 Our spirits combine and it's a basic instinct
             Dm7
                              Am7
                                                                                              Am7
I knew when I first read your lips
                                                                 Your love is free-spoken not written in ink, oh-oh, ooh woah
                                                                 [Pré-Refrão]
