

Justin Bieber - Catching Feelings

Tom: G

Intro 2x: G G C Cm

The sun comes up on another morning
 My mind never wakes up without your warning
 And it's crazy to me, I even see you in my dreams
 Is this meant to be? could this be happening to me

We were best of friends since we were this high
 So why do I get nervous every time you walk by
 We would be on the phone all day
 Now I can't find the words to say to you
 Now what I'm supposed to do

Could there be a possibility
 I'm trying to say what's up
 Cause I'm made for you, and you for me
 Baby now is time for us
 Tryna keep it all together
 But enough is enough
 They say we're too young for love
 But I'm catching feelings

Dudududududududu~ catching feelings...
 Dudududududududu~

In my head we're already together
 I'm cool alone, but with you I'm better
 I just wanna see you smile
 You say the word and I'll be right there
 I ain't never go nowhere

I'm just trying to see where this can take us
 Cause everything about you girl is so contagious
 I think I finally got it down

Now what's left to do now, it's get at the mirror
 And say it to her

Could there be a possibility
 I'm trying to say what's up
 Cause I'm made for you, and you for me
 Baby now is time for us
 Tryna keep it all together
 But enough is enough
 They say we're too young for love
 But I'm catching feelings
 Dudududududududu~ catching feelings...
 Dudududududududu~

Should I tell her, how I really feel
 Or should I move in closer just be still
 How would I know?
 Cause if I take a chance, and I touch her hand
 Will everything change?
 How do I know, if she feels the same?

Could there be a possibility
 I'm trying to say what's up
 Cause I'm made for you, and you for me
 Baby now is time for us
 Tryna keep it all together
 But enough is enough
 They say we're too young for love
 But I'm catching feelings

Dudududududududu~ catching feelings...
 Dudududududududu~

Dudududududududu~ catching feelings...
 Dudududududududu~ catching feelings
