

Justin Bieber - Deja Vu (feat. Post Malone)

Tom: C

C7M Cm Gb4 G Em Dm7 Dm
 Oohh, ooh
 Cause I can't take it no more
 No you ain't like them bitches, tell them hoes adios
 And you can drop your panties
 leave them shits at the door
 Dior falls on the floor
 I swear we been here before
 I'm tryna see you from my own perspective
 You all in my section tryna come to my session
 We runnin' a pressure, you know that we flexin'
 We bought all the bottles, we came with the models
 Girl this a confession, I'm not like your exes
 I came in from Texas, and now that we textin'
 You can fly in whenever, now you undressin'
 Panties on the dresser, your hair gettin' messed up
 The feelin' we catchin', my love is a blessin'
 Made love in that Lexus, made love in that Lexus
 I know you remember
 Tell me is that deja vu?
 Cause you want me and I want you
 Tell me is that deja vu?
 Cause baby this ain't nothing new, no
 Tell me is that deja vu?
 Cause you want me and I want you
 Tell me is that deja vu?
 Cause baby it ain't nothing new, no
 Oh you actin' reckless
 I told you that I need affection
 So let me point you in the right direction
 It's so important that you get the message
 Yeah I gotta say

Gotta say somethin' to you, you, you
 I'm on a roll
 I'm gonna roll out in that new, new, new
 If you wanna do what I wanna do
 Well uhm-uhm-uhm
 Well I guess that's just deja vu
 Tell me is that deja vu?
 Cause you want me and I want you
 Tell me is that deja vu?
 Cause baby it ain't nothing new, no
 Tell me is that deja vu?
 Cause you want me and I want you
 Tell me is that deja vu?
 Cause baby it ain't nothing new, no
 Tell me if you want it baby
 Cause I know I can drive you crazy
 I just wanted you to know now
 Oh-oh, oh-ohhh
 Show up in that new Mercedes
 You already know I'm faded
 Girl I've been thinkin' about you lately
 Oh-oh, oh-ohhh
 Tell me is that deja vu?
 Cause you want me and I want you
 Tell me is that deja vu?
 Cause baby it ain't nothing new, no
 Tell me is that deja vu?
 Cause you want me and I want you
 Tell me is that deja vu?
 Cause baby it ain't nothing new, no
 Cause I can't take it no more
 No you ain't like them bitches, tell them hoes adios
 And you can drop your panties
 Leave them shits at the door
 Dior falls on the floor
 I swear we been here before
