

Justin Bieber - Die For You

tom:
 Capotraste na 1ª casa
 Intro: Am G F Dm
 Am G F Dm

[Primeira Parte]

She's a stranger to the night shift
 The type of girl you only dream about
 I was lost under the lights, yeah
 An angel in the flames, she pulled me out

[Pré-Refrão]

Next time that I get-get-get-get-get her
 I'ma tell her in every kind of way

[Refrão]

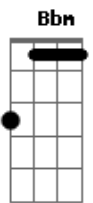

I would walk through burning fire
 Even if your kiss could kill me
 You know I would die for you
 Yeah, I would die for you
 Paint it, passion, my desire
 You're the right now and what will be
 You know I would die for you
 The rest of my life for you
 Yeah-yeah-yeah-yeah

(Ba-ba-da, ba-da)
 (Ba-ba-da) I would die for you
 (Ba-ba-da, ba-ba-da, ba-da, ba)

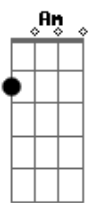

[Segunda Parte]

She's a danger to the mindset
 Displaced and stretched it out in every way
 Crossin' every line, yeah
 To-to touch base until you finally come astrain
 And I know this ain't rocket science
 And I never leave the house
