

# Justin Bieber - Get Used To It

Tom: C

F Am  
 Subjected to my system, reflecting on the days  
 G F  
 When we used to be just friends  
 Am  
 Protected both our interests, our trust was in a bank  
 G F  
 That's where our hearts were safe  
 And then we got closer  
 Am G  
 Separated from my ex 'til we got closure  
 F  
 Ooh, on every visit, feelings got stronger  
 Am G  
 Now this is out of our hands, our love is here to stay

F  
 So get used to me checking in all day  
 Am G  
 Get used to me falling through just to see your face  
 F  
 There ain't a moment I won't need your brace  
 Am G  
 Get used to me touching you, get used to me loving you  
 F  
 Oh get used to it, hey  
 Am G  
 Oh get used to it, hey  
 F  
 Oh get used to it, oh  
 Am G

F  
 Oh get used to me holding you, get used to me woeing you, oh  
 get used to it

Am  
 And I'ma April shower you, forever if I May  
 G F  
 'Til your flowers bloom in June  
 Am  
 Make sure that our fireworks be our 4th of July for life  
 G F  
 As long as you stand right by my side  
 Am  
 Keep growing closer throughout October  
 G F  
 Ooh counting down, it's almost Christmas eve  
 Am  
 Oh seven days shy of a New Year's eve  
 G  
 Then we'll be celebrating  
 F
