Intro: **C G F**

Had a dream, i was high
 Holdin' on to the sky
 But i heard your voice, you stopped myself
 From fallin'
 Thirty days, thirty nights
 When the stars don't align
 And the sun can't even stop the rain
 From pourin'
 So lay with me and let time just pass by
 And don't let go (Don't let go) 'cause all i know

This life is crazy
 But it led me to your love
 If you call on me forever i will come
 No matter what, baby
 The only thing i'm certain of
 We'll be done in when our golden days
 Are gone
 No matter what, no matter what
 It's only us (It's only us) yeah, no matter what

I'm the one in th? back
 Everything that i have
 When th? silence fills the air, just know
 I'm on it
 When the waves start to crash
 Like a feeling from the past
 Just remember that you're all i've

Ever wanted (Ever wanted)
 So lay with me and let time just pass by
 And don't let go (Don't let go) 'cause all i know
 This life is crazy
 But it led me to your love
 If you call on me forever i will come
 No matter what, baby
 The only thing i'm certain of
 We'll be done in when our golden days
 Are gone
 No matter what, no matter what
 It's only us (It's only us) yeah, no matter what
 Lookin' in your eyes
 Can't believe you're mine
 It's beyond an obsession, got all of my attention
 Nothing can compare to you (To you)
 What did i do right? (Do right)
 To hold you every night (Every night)
 It's beyond an obsession, got all of my attention
 Nothing can compare to you
 This life is crazy
 But it led me to your love
 If you call on me forever i will come
 No matter what, baby
 The only thing i'm certain of
 We'll be done in when our golden days
 Are gone
 No matter what, no matter what (Yeah, yeah)
 It's only us (It's only us) yeah, no matter what
